

Information Center

If lying on bean bags make you score more, we have them for you.

Finding a group study space has never been so easy, and trust us a lot of you can fit in here.

Lone wolf? We have it sorted for you- private cubicles for you to focus.

Give your legs some 'me-time' and walk while you ideate. Walking is good practice!

A quiet study space is all you need and its a lot of space for you to breathe in.

Never miss a periodical again and all e-resources are on these PC's.

1970-Present we have all the Indian CS books here. But we are not just a CS Library, and have no domain untouched.

Circulation Desk to locate and borrow a book. We are happy to help :)

Walked in past 12? Just drop the book in here and you'll have your return marked.

Team of 4? Discuss it here in Discussion rooms.

Sit-back and relax. It's been a long day.

Discuss it with the team around the table.
